2006/2007 Annual License Renewal

IDAHO RESIDENTIAL MORTGAGE LOAN ORIGINATORS

Information and Instructions

The annual renewal of your mortgage loan originator license **must** be completed on or before October 31, 2006 in order to maintain a valid license and current standing. The following highlights and tips may help to expedite this process for you:

- Renewal packets are sent to the licensed loan originator's personal residence only during the first week of September. If you do not receive a packet by September 20, you may wish to obtain a replacement from our website at <http://finance.idaho.gov> in the "Loan Originator and Mortgage Forms" section.
- There are no Continuing Education requirements needed in order to complete the renewal process for the 2006/2007 licensing period. The first CE reporting period will formally begin on November 1, 2006 and end October 31, 2008 (for licenses issued prior to November 1, 2006).
- Renewal must be completed by any active licensee and by those who want to maintain an active *application* in an "unassigned" status. "Unassigned" status applications are those whose deficiency items have been cleared but lack a current employer affiliation. An application in an "Unassigned" status may remain so indefinitely as long as renewals and CE requirements are maintained current. If you do NOT file a completed renewal packet postmarked and complete by October 31, 2006, your license or "Unassigned" application will expire by operation of law. In that event, you will have to submit a new license application together with fees to obtain a new license. During the interim no mortgage loan origination activity may be conducted.
- If you answer "Yes" to question "G", for which you are needing to update answers to the legal background questions provided in your original application, please make sure to include a full written explanation and all supporting attachments as applicable. Please contact the Department for instructions on what must be filed if a new probation or parole situation is being reported.

Approved renewals will be posted on the website and show a new expiration date of October 31, 2007 once processed. This site is updated daily in live time. Attempted status checks will delay the process and therefore cannot be provided. **Original licenses will be mailed to the licensed main location of your affiliated employer.**

- **Overnight delivery:** 700 West State Street, 2nd Floor Boise, Idaho 83702
USPS delivery: PO Box 83720 Boise, Idaho 83720-0031
Renewal fee: **\$100** payable to the Idaho Department of Finance

RENEWALS NOT COMPLETED BY, OR POSTMARKED AND COMPLETED BY, OCTOBER 31ST WILL CAUSE THE LICENSE TO EXPIRE BY OPERATION OF LAW.

To avoid possible license expiration, please submit your completed license renewal form, fee of \$100, and attachments by October 15, 2006.
